Pioneer HD1BT

We advice to use the following positions.  
Other positions are also possible.

Use position 1 marked with a cross.  
Use position 14 & 16 marked with an arrow.  
Measured from left to right.

Pioneer Avic D3

We advice to use the following positions.  
Other positions are also possible.

Use position 1 marked with a cross.  
Use position 12 & 14 marked with an arrow.  
Measured from left to right.

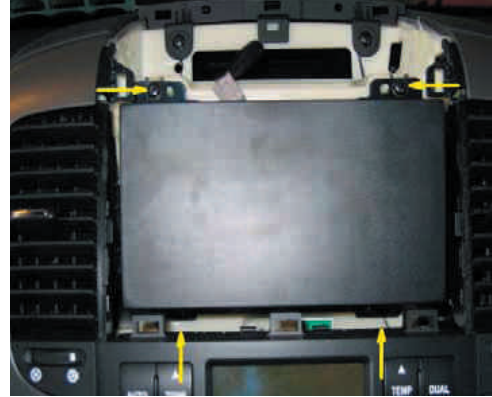

\* Mount the plates.

1

Remove plastic rim by placing wedge at the place of the arrows

2

Remove 4 screws at the place of the arrows, to remove plastic cover.

3

Place metal bracket and tighten screws at the original location. See arrows. Connect all Wiring and place Head unit.

4

Mount the head unit and place plastic rim. Place panels back in reverse order.

Connect all of the needed wiring harnesses and check all connections carefully
