

Installation manual for: Nissan Micra C + C

Installation kit includes the following items:

- * 1X Replacement panel
- * 1X Mounting block

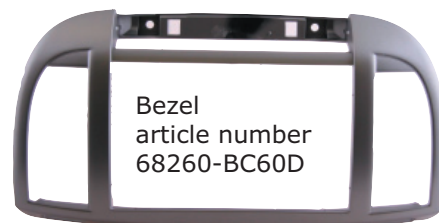

The 2-Din kit is only suitable if the car is equipped with a original 2-Din radio.

Partnumber: Blaupunkt BP 5387 5 4890427

If the car is equipped with a 1-Din radio shown in the left picture, then order a original 2-Din dashboard frame at the Nissan dealer.

Articlenumber: 68260-BC60D

Remove the blind panel above the radio.

Remove the 2 screws above the radio.

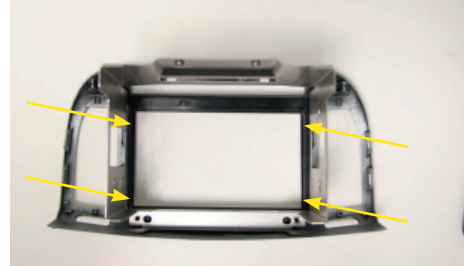

Remove the 2 screws beneath the radio.

Move up the dashboard panel above the radio and remove the bolt under the dashboard panel. Remove the headunit.

3

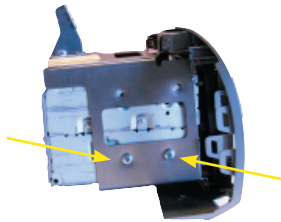

4

Remove the original headunit from the dashboard panel. Place the replacement panel behind the dashboard panel.

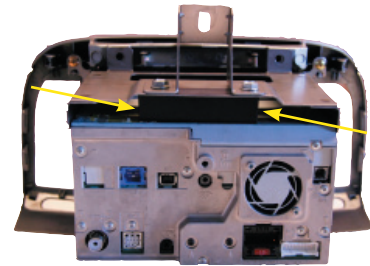

5

Mount the new headunit in the original bracket.

Mount the bracket with 4 screws.

6

Place the mounting block on the rear of the new headunit between the metal bracket and the new headunit.

7

Replace all the panels.

Connect all of the needed wiring harnesses and check the connections carefully.
