## Installation Manual Double DIN Kit 281143-15

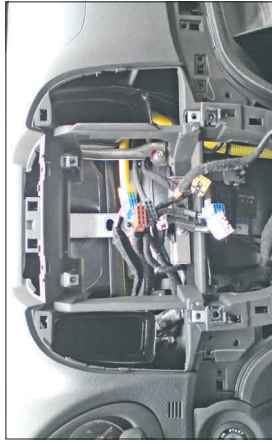

1. Hyundai Santa Fe dashboard

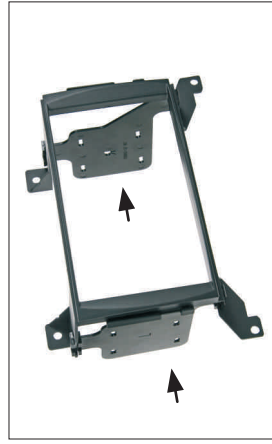

5. Place the Pioneer Navigation with the fascia plate at the dash board  
Connect all required circuit points  
Fix the fascia plate to the dashboard with four screws

2. Remove the screws, holding the center panel

3. Unclip the center panel and remove it

4. Attach the mounting brackets to the fascia plate  
Push the Pioneer Navigation into the fascia plate and fix it with screws at both sides

6. Place the OEM front panel  
Reinstall everything in reverse order to finish installation.
