

CUT

The ultimate scratch Mixer

TECHNICAL details

- Crossfader reverse
- Crossfader curve
- XLR Output
- Master cue
- Mic Input with Eq
- Internal Adaptor
- Solid metal case

CUT is the definitive Battle mixer.

It's a solid mixer with 2 channel switchable Phono/line inputs and an independent MIC input with dedicated EQ. The XLR Main output allows easy mobile or club install.

The CUT mixer also includes features like cross-fader curve adjustment and reverse switch, Master Cue, Record Output and 6.35mm & 3.5mm headphones output.

This is not a Mixer, it's a Mini-Tank!
