

Facia plate installation kit for:

# HONDA

Model: HR-V

Year: 2015>

Kit content: double DIN facia plate  
mounting brackets + screws

Customer code: CA-HM-HO.004

## INSTALLATION MANUAL

1 This is how the original dashboard looks like.

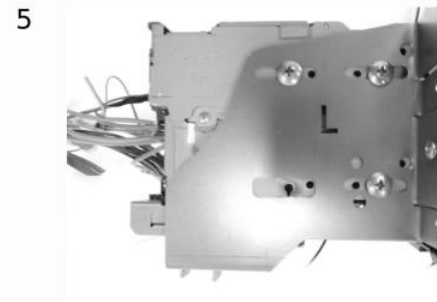

2 Remove the air vents and the dashboard. Unscrew and remove the head unit.

3 Insert the display cover in the facia plate.

4 Take the brackets and the facia plate supplied and fix it as shown in a picture.

5 Take the aftermarket head unite, insert and fix it to the facia plate as shown in the foto.

6 Connect all cables, verify the proper functioning of the system, put the new radio unit into the dashboard and fix it by screws.

7 Put back in place the air vents, the dashboard and insert the facia plate. This is the final result.
