

KING35

Component speaker

Thank you for purchasing an Awave mid-range speaker. It is a state-of-the-art product specifically designed and engineered for vehicle use and has been thoroughly tested to ensure consistent and reliable performance.

FEATURES:

3.5" mid-range speaker
RMS power 30W
Rubber edge with aluminum cone
4ohms 0.78" Kapton Voice coil
0.5 Oz magnet structures

PRECAUTIONS

Before making holes, check the mounting space with the supplied template.
To prevent noise pick-up, keep the wiring away from motor, high voltage leads and other potential noise sources.
To prevent a short circuit, keep all wiring away from moving parts and sharp edges.
Make sure you carefully read and understand the installation instructions before installing this speaker in your vehicle.
